### LIVES TOUCHED

Providing powerful insights into challenges and facilitating deep transformation.

I must say Dhara is brilliant in her expression, such depth, wonderful choice of words. I love it. It has a Paulo Coelho resonance to it.

- Priya Kumar Author, World Class Speaker, Executive Coach, Screen-writer, Influencer

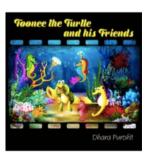

Dhara is an absolute pleasure to work with. She has the flare for simple yet effective writing. She is extremely dependable, her work is wellresearched and her timely deliveries make her the most reliable creative asset for the content industry. Her charming personality is a plus to have her around and brighten the room.

- Bhavna Ganu Builder & Co- Founder Of Rollercoaster Edutainment I've known Dhara for over two decades, and her writing has always stood out. In just three days, she crafted a powerful 24-page brochure for the 26/11 Memorial, earning heartfelt praise for her compelling storytelling and professionalism.

"She has a charismatic personality and I was impressed by the clarity of thought she carries.She is possessive about her work, and makes no compromises at all. This is what makes her special. I really enjoyed working with her and looking forward to work with her again."

#### - Ar. Sujata Gawande Architect & Planner / Authority, MHADA. Maharashtra Govt.

"I have known Dhara Purohit for over 5 years and we have been associated both personally and professionally. She has always been a resource to my work and to me. I have derived a lot of positive energy and inspiration from my every interaction with her. If I am not able to connect with her, I have taken aid from her blog and articles, that emit the same energy as when you have the chance to speak to her."

#### Shalini Gamre Founder Of Sasha Training Solutions, Psychologist, Counsellor, Fire- Walk Trainer

"Writing comes naturally to Dhara. And when I write this, I literally mean it. she connects to the source beyond and then what flows through her on paper is sheer divine light in form of words and sentences. Her articulation and writing is so beyond amazing that the matter feels rich and full of wisdom."
